

## **Staff Attending Outdoor Ted at the Skylark**

Dear Staff,

Outdoor Ted is designed to be a safe place for pupils of all ages to come and enjoy learning in the outdoors.

It is expected that any staff attending will join in with the fun, not only is this good for children to see the staff joining in but it also gives them confidence that the activities are fun for all.

Our preferred method at the skylark is that the group attending is split into 4 groups and a member of staff stays with each group.

### **Equipment:**

Please come in clothes you don't mind getting wet or muddy and suitable footwear such as wellington boots, hiking boots or trainers. Gloves are recommended for the shelter building.

A closed mug - There is a hot water boiler at the Skylark centre, if you feel you may want hot drinks please bring a camping mug with a secure lid. You will be able to access hot drinks at any time in the day.

Packed Lunch - You will be active most of the day therefore I suggest bringing a packed lunch to keep your energy levels up. There will be no food available to buy.

Camera - Feel free to take as many photos of your group as you like, so the children have something to look back on.

Other than that I hope you enjoy the day just as much as the children will.

Many thanks

Stacey Howard
